

Multidisciplinary Cancer Care Conference

October 22 & 23, Regina Saskatchewan

The Multidisciplinary Cancer Care Conference (previously known as the Community Oncology Program of Saskatchewan (COPS) Annual Provincial Symposium) will be held at the [Regina Inn Hotel & Conference Centre](#) in Regina SK. The name of the conference was changed to the Multidisciplinary Cancer Conference in order to increase awareness to a wider scope than community oncology.

This year the conference will be held in conjunction with the Saskatchewan Branch of the Canadian Society of Hospital Pharmacists (CSHP). We are optimistic that the collaboration between COPS and CSHP will draw in a large audience of professionals from across the province.

Registration Now Open
