

## **FALSE ALARM AT HEALTH CENTRE**

The St. Joseph Health Centre in Ile a la Crosse was locked down for a short time today, November 22, after a person with a weapon was reported to be onsite

At approximately 11:25 a.m. RCMP instructed health centre staff to lock all doors and remain in their offices and work areas.

With the report discovered to be false, operations returned to normal over the lunch hour.

The St. Joseph Health Centre is part of a state-of-the-art integrated facility, featuring a hospital, regional health care services and a day care as well as the Grade 7 to 12 Rossignol High School.
